March 31: CLUB ASSEMBLY

March 24: Connie Sullivan – United Way

Connie Sullivan from the United Way joined us again in connected with United Way's annual fundraising campaign. Connie reminded everyone that the dollars given in this community stay right in Wayne County to all types of services, from CPR training to Meals on Wheels to programs for early childhood development. This year, there is a particular need for more counseling services.

When giving a pledge, your funds are distributed throughout programs in the County according to need if you don't otherwise specify. If participants prefer, they can designate their funds be directed to a specific program. You can make an individual pledge or give a joint pledge as a group.

May 19th is the Day of Caring when many individuals come together and spend the day volunteering on various service projects, anywhere from yard work to painting. Connie ended by saying that it's important to give because you never know who will need the services of the United Way or when they will need them.
