June 2: Pal-Mac Select Choir: Trip to Europe

The Pal-Mac Select Choir Officers, all Seniors at Pal-Mac, along with their music teacher, Jill Long, were our speakers for this meeting. They came to share the highlights of their recent trip to Germany, Austria, and Switzerland.

Their trip was originally suppose to begin on a Thursday, but was delayed until the following Tuesday due to the volcano ash from Ireland. The whole choir was very relieved to finally get off the ground at JFK Airport, because the cancellation of the entire trip was very much a reality until take-off! Although they left later than anticipated, they were able to extend the trip later, making it so stayed the original number of days.

While in Europe, the group performed several concerts, some planned and some impromptu at the following locations: Salzburg Dom Cathedral, Beundesrealgymnasium (a High School), Neuschwanstein Castle in the singing hall, Melk Abbey, Wieskirche (little white church in Austria), and Johanneskirche church the night before leaving.

The group also had time to do some shopping, taste the local foods (including the

great ice cream), tour churches, take a short cruise on the Danube River, and the Sound of Music tour.

All in all, the entire group had a great experience. They were gracious in the opportunity, and the prospect of having the trip cancelled made it that much more special for everyone. Three years of planning and fundraising went into the trip, and it was made up of great memories that will carry on throughout their lives. "And so on, and so forth."

The entire Select Choir then treated us to a three-song concert of selections they sang throughout Europe. Thanks for sharing this great experience!
